Motions to compel discovery are to be filed and served by the discovery deadline or within 30 days of the default or the service of the response, answer, or objection, which is the subject of the motion, if the default occurs within 30 days of the discovery deadline, unless the time for filing of such motion is extended for good cause shown, or the objection to the default, response, answer, or objection shall be waived.

This case is set for jury trial, and the trial is expected to last 5 day(s). The pretrial order date, pretrial conference date, and trial date will be set by the presiding judge.

This case is appropriate for ADR. The parties are directed to engage in court-annexed attorney mediation or private mediation after the close of discovery.
